EDUCATION

- **Amrita Vishwa Vidyapeetham** Expected July 2027
Bachelor of Technology in Computer Science (GPA: 7.08 / 10.00) Coimbatore, TamilNadu
 - **Relevant Coursework:** Data Structures and Algorithms (Python), Database Management Systems, Operating Systems, Computer Networks, Machine Learning, Theory of Computation, Compiler Design, Full Stack Frameworks, Mobile Application Development
- **Sri Chaitanya Junior Kalasala** 2021-2023
SSC (Class XII) — Marks: 936/1000 — JEE Main Percentile: 95.8630053 Hyderabad, Telangana
- **Slate The School** 2020 - 2021
SSC (Class X) — CGPA: 10/10 Hyderabad, Telangana

SKILLS SUMMARY

- **Languages:** Java, Python, C, JavaScript, SQL, Dart, HTML5, CSS3
- **Frameworks:** ReactJS, NodeJS, ExpressJS, Flutter
- **Databases:** MYSQL, MongoDB
- **Tools:** Visual Studio Code, Arduino
- **Platforms:** Linux, Web, Windows, Arduino, Firebase
- **Soft Skills:** Leadership, Event Management, Writing, Public Speaking, Time Management

EXPERIENCE

- **BuzzBrain Edtech** May 2026 – Present
AI & Data Operations Intern Hyderabad, Telangana (Remote)
 - **AI Data Verification:** Reviewed and validated educational content and question banks using AI tools to ensure accuracy and quality across approximately 80 question papers.
 - **AI Output Evaluation:** Assessed AI-generated responses against structured quality rubrics, flagged errors, and provided actionable feedback to improve content reliability.
 - **Tool-Assisted Workflows:** Leveraged Claude Pro daily to accelerate review tasks, applying effective prompting strategies and critically evaluating AI outputs for an AI-first educational platform.

PROJECTS

- **AtmaYoga: AI-Driven Interactive Fitness Application:** Designed an accessible and personalized health platform utilizing machine learning for real-time posture recognition. Implemented live pose detection, an interactive AI wellness assistant, customized goal-oriented routines, and dynamic data visualization dashboards to monitor user improvement and enhance the overall home workout experience. Tech: ReactJS, NodeJS, ExpressJS, Python, TensorFlow, MediaPipe, SQLite (March '26)
- **Secure and Transparent Electronic Voting System with Verifiable Integrity:** Designed a tamper-resistant e-voting platform ensuring voter anonymity and end-to-end verifiability using cryptography and blockchain. Implemented encrypted vote casting, prevention of double voting, immutable audit trails, and AI-based anomaly detection to enhance election integrity and transparency. Tech: ReactJS, PostgreSQL, ExpressJS, NodeJS, TailWind CSS (March '26)
- **Canteen Management Ordering System:** Designed a comprehensive dual-app food ordering platform to streamline canteen operations and ensure a seamless user experience. Implemented real-time menu browsing, secure cart and payment processing, digital token generation for efficient order collection, and a dedicated administrative dashboard for live order tracking and dynamic menu management. Tech: Flutter, Firebase (October '25)
- **Quizify– Online Quiz Platform:** Designed a comprehensive online assessment platform enabling educators to seamlessly create, manage, and distribute custom quizzes, while allowing students to securely join and attempt assessments via unique access codes. Implemented robust role-based access control, automated real-time grading, dynamic visual analytics for performance tracking, and a centralized repository to facilitate engaging and efficient educational evaluations. Tech: ReactJS, MongoDB, ExpressJS, CSS, Vite (October '25)

PUBLICATIONS

- **Conference: A Robust Image Forgery Detection Approach Using UNET and Recompression Model:** In Progress paper to be published by Springer Publishing by 2026.

LICENSES AND CERTIFICATION

- Tata Cybersecurity Security Analyst Job Simulation on Forage - May 2025 [View Certificate](#)
- IBM Data Science Machine Learning with Python- June 2025 [View Certificate](#)
- Data Analytics with Python - Present
- Participated at Adobe India Hackathon - August, 2025

VOLUNTEER EXPERIENCE

- **Student Volunteer — NSS Club**

Sept 2023 – July 2025

Led and organized social welfare initiatives including teaching underprivileged children, conducting blood donation camps, organizing drug awareness programs, and promoting energy conservation activities.

NSS Camp Certificate: [View Certificate](#)
